GLOBAL CREDIT STRATEGIES FUND

Investment Objective & Policy

SphereInvest Global Credit Strategies (UCITS) is a dynamically traded, unconstrained, opportunistic fixed income fund which invests in a globally diversified high conviction portfolio of corporate bonds, and at times short-duration US Treasuries. We invest using three tools: fundamentals for credit selection; macroeconomics for market timing; and liquidity management, through cash and risk-free equivalents, for capital preservation.

Performance since Inception

	YtD	3 Years		Since Inception
